RE: United States v. Matin
18-CR-322

Dear Judge Diamond,

I am co-counsel for George Matin, the defendant in the above-referenced case. Mr. Matin was sentenced by the Court on September 24, 2020 to a term of 15 months in the custody of the Bureau of Prisons. DKT # 42 AND 43. The Court ordered Mr. Matin to report to his designated institution on January 8, 2020. Mr. Matin has been designated to Lompoc FPC in California.

This is to request a sixty-day extension of Mr. Matin's report date to March 8, 2020. AUSA Patrick Murray does not oppose this request. This request is made as a result of the current worsening of the Covid-19 situation nationwide, including an upsurge in cases in California. This situation is affecting Lompoc FPC where several inmates and staff have tested positive; in fact, visiting to the Lompoc complex was suspended as of December 11 in an attempt to curb the spread of the virus. These circumstances support the requested extension of the current report date.

Thank you for your consideration of this unopposed request. If you have any questions or need further information, I am available for a conference at your convenience.¹

Sincerely,
